

# Adopt A Classroom 2011 Holiday Toy Drive

## Bring a bit of cheer to a child this holiday season!!

- **Coordinate an *Adopt A Classroom* Toy Drive** at work, among friends and family, at your college/university or at your church or synagogue. We will send you the names and ages of children - you tell us how many. We suggest a minimum of 20 children = 1 classroom of preschoolers. When you're done, you can deliver the toys.
- **Buy gifts for our children (Birth to 12)** Sponsors can donate a toy (\$15-\$25) to distribute to a boy or girl. We especially need gifts for children 0 to 5 and approximately 525 gifts this holiday season.
- **Deliver toys to our kids.** Gift donation must be dropped off at Next Door Foundation no later than Thursday, December 8, 2011. Next Door Foundation is located at 2545 North 29th Street, Milwaukee, WI 53210. Wrapped gifts would be appreciated.

Thank you so much for your help!
